Home Modification

Home Modification Services involves adapting a home so that a person can perform the activities of daily living as safely and comfortably as possible, while maintaining some degree of independence. Modification can be simple which could include removing scattered rugs to prevent slips and falls or a little more complex such as grab bars, toilets, ramps and rails. The type of modification will depend on the individual and the set up of the home.

We are dedicated to you.....

Moving & Downsizing Services

Moving and Downsizing Services includes pre and/or post moving such as creating a move plan, organizing crucial papers, helping with possessions and choices for the new home, assist in organizing, sorting, and packing, arrange shipments and storage items, transferring utilities, phone, cable and mail, unpacking, furniture placement, organize household items in kitchen, bathroom and bedrooms, remove packing materials; and so much more.

We will help older adults move and downsize to a smaller residence. We provide our clients with a personal service helping them with the things they can't or don't want to do. We understand that moving is an emotional and physical transition and we are here to support you every step of the

way.

We treat every person as an individual - all ages, all wishes.....
